

SHERIFF HAS APPOINTED REGISTRARS

Names Representative Men In Every Precinct of County To Carry Out Mandates of Law

Will Sit At Polling Places On June 5th To Register Every Man, Alien Or Citizen, Within The Age Limit

HEAVY PENALTY FOR REFUSAL TO ACT

Plans for the registration of Clearfield county citizens who come within the conscription age limits are being rapidly whittled into shape by Sheriff McCloskey, who has been busy almost every minute of the time since his return Wednesday from the conference with Governor Brumbaugh at Harrisburg.

Sheriff McCloskey and Deputy Chaplin worked far into last night preparing his list of registrars, which we present herewith.

The other necessary details such as notification and the placing of the blanks in the hands of these chosen registrars is going on with feverish rapidity in the Sheriff's office today, all other business being sidetracked for the time being, with the result that when the time comes Clearfield county will be in shape to register and no mistake about it.

The County Board of Registration is composed of the Sheriff, Prothonotary, President of the Board of County Commissioners and Dr. S. C. Stewart, the physician representing the county on the state board of health. This board organized today with Sheriff McCloskey chairman and Jesse E. Dale secretary.

Following the registration on June 5 a list of all young men registering will be posted at all voting precincts for the public to view. This is done so that in case there should be any one in the district who has not registered, persons knowing of such delinquents can notify the proper authorities. The penalty for not registering is very severe.

On June 6, the day following the registration, a summary of the registration giving the totals, must be telegraphed to the governor. The itemized registration will follow later. The registration blanks will be made out in duplicate. The original will be sent to the governor while the duplicate will be kept by the county or city authorities.

The registrars chosen to act on June 5th are in a measure "drafted" for this patriotic service. The Governor's proclamation to the Sheriff directed that "these registrars must be selected with great care. They must be men resident within the precinct and familiar with its population; men of the highest probity and capable of writing legibly. The national government asks that this service be rendered free as an expression of patriotism and of loyalty to the nation in this crisis of her history. Should you find it impossible to find men of such lofty purpose wire me for directions as to the necessary subsequent steps to be taken."

Sheriff McCloskey has selected men whom he feels satisfied will measure up to the Governor's qualifications and will gladly assume this duty.

Two registrars will be required for each precinct and in addition to the names of these men we also give the total enrollment of voters in each precinct.

Under the terms of the conscription act we have seen it stated that one out of each twenty men would be drafted for army service. It is expected that the registration will disclose a total of 10,600,000 men in this country between the ages of 21 to 31, and of this number Pennsylvania alone would produce 800,000, and Clearfield county's total quota for military duty is 425.

In order that we might get an idea of just what that meant to each district, The Progress representative went over the military roll in the Commissioner's office as compiled by the assessors for 1917 in the districts of Clearfield, Curwensville and DuBois, and find the men of conscription age in these districts as follows:

Clearfield Borough	
First Ward	88
Second Ward	118
Third Ward	156
Fourth Ward	151
Curwensville Borough	
First Ward	44
Second Ward	125
City of DuBois	
First Ward	182
Second Ward	142
Fifth Ward	125

Taking these figures for a guide and comparing them with the total enrollment of the district will give you the approximate number of men within the conscription limits in any district.

Big P. O. S. of A. Rally At Y. M. C. A. Friday

Speakers of State Wide Reputation Will Address Convention

Every American born citizen of this community is cordially invited, nay urged, to attend the grand patriotic rally to be held in the Y. M. C. A. hall tomorrow, Friday evening, May 25th, under the auspices of the Clearfield County Camps of the P. O. S. of A.

This is the eminently proper time to inculcate the true spirit of loyalty in the hearts of our people and this old time patriotic organization has arranged for several of its state officers to come to Clearfield on this occasion and not only tell of the aims and objects of the Patriotic Sons of America, but give the reasons for those aims and the necessity for the daily and open practice of the cardinal principles thereof.

An entertaining program has been prepared for this occasion and as the call for the meeting states those attending same will have the opportunity to learn more of your country and its largest and greatest patriotic organization. Every loyal American whether affiliated with the organization or not should be present and hear the prominent speakers on this occasion.

Representatives from every Camp in the county will be present and a large audience is assured, but it is your duty to be present.

Following is the order of exercises:
Music High School Band
Prayer Rev. T. L. Borders
Music West Side Sunday School Orchestra

Address, State Sec. Charles E. Helms
Music

Address State Vice President

Hon. Gabriel H. Meyer, of Lebanon

By Order Committee Camps of P. O. S. of A. of Clearfield County

Messrs Helms and Meyer are both speakers of state-wide reputation and are especially well equipped to carry the message of patriotism to our people and all who attend are assured a most profitable evening.

Handsome Flag Raised At B., R. & P. Depot

Prominent Citizens Assist in Very Impressive Patriotic Ceremony

The flag raising exercises at the B. & P. station this morning was one of the most successful affairs of the kind ever staged in this section, and despite the strong cold wind blowing, an audience numbering more than one thousand people gathered at the scene.

Promptly at 11 o'clock the assembly was called to order and Hon. J. Frank Snyder in a few highly appropriate remarks introduced Judge Singleton Bell who was scheduled to make the address for the occasion. Judge Bell was in exceptionally good form and delivered a ringing patriotic speech which was most heartily applauded by his hearers.

At the proper moment Agent Holden swung Old Glory to the breeze to the inspiring strains of "The Star Spangled Banner" which was sung by the High School chorus.

The High School band played a number of patriotic selections during the celebrations.

The huge flag 13 x 20 feet in size is one of the handiest in this section and the B. & P. company is deserving of great credit for their patriotic action at this time.

TYPOGRAPHICAL UNION OFFICERS

Mrs. Thorn Seriously Injured By Automobile

Extent Of Injuries Not Yet Known But No Bones Were Broken

Mrs. Lizzie Thorn, one of Clearfield's well known residents was knocked down, run over and quite seriously injured by an automobile while attempting to cross Market street opposite the entrance to the second floor of the County National bank building about 10 o'clock this morning.

Mrs. Thorn wanted to cross Market street and on account of the traffic incident to show day decided to get away from the crowd at the regular crossing by getting across at the point mentioned above.

An automobile was standing along the curb in front of Neiman's furnishing store and as Mrs. Thorn walked from behind the car she stepped directly in front of the automobile driven by John Black of the East End who was driving slowly up Market street. The driver never saw Mrs. Thorn until she stepped out in the street within six feet of the machine. When she saw the car Mrs. Thorn stopped and turned facing it. In an instant she was struck and knocked to the street, the rear wheel of the car machine, a C-6 passing diagonally across her body.

Bystanders rushed to her aid and the injured woman was picked up and, refusing to go to the hospital, was taken to her home on Market street and medical aid hurriedly summoned.

An examination disclosed that while no bones were broken Mrs. Thorn was seriously hurt and suffering greatly from the shock incident to her experience. Her physician fears that she is injured internally and it will be some time before the real extent of her injuries are known.

Mr. Black who could not see Mrs. Thorn for the other car until she stepped right out in front of his machine made every effort to avoid the accident, but was powerless to do so.

Local Red Cross Head Leaves For Washington

Will Return Soon to Make Appointments And Start Campaign

The Central Committee of the American Red Cross has sent notice of its recognition of a Chapter to be known as the Clearfield Pennsylvania Chapter, American Red Cross, to have for its jurisdiction, "Clearfield county, except DuBois, and Winburne, Oseola, Houtzdale and Madera, Pennsylvania, and such other portions of said territory as have already been organized under a separate chapter."

The officers of this new chapter are:

J. Frank Snyder Chairman
J. Fred Weaver Vice Chairman
H. S. Whiteman, Jr. Treasurer
Miss Ella C. Shaw Secretary

Mr. Snyder, its chairman, left for Washington this afternoon to be present at the war council to be held tomorrow at the American Red Cross National headquarters in that city, and upon his return early next week will convene the chapter, announce the committee appointments, inaugurate a thorough canvass for members and take up the active work of the organization.

WOMEN'S CLUB MEETING

The Woman's Club will be guests of Mrs. Frank R. Reed on Thursday evening at 8 o'clock at her home on Old Town Road. This is the last evening meeting of the year which ends in June and it is planned to make it purely a social gathering to which all members are cordially invited and an invitation is also extended to any new members who wish to join for the coming year.

The Woman's Club which is doing what part there is a club, will take in the war effort and also to submit tentative lists of non-benefactors for the election of officers which takes place at the next meeting June 12th.

Mine Workers Accept Scale As Amended At Washington, D. C.

After a day of heated argument and debate the delegates at the DuBois Convention finally voted on the acceptance of the scale as offered at Philadelphia and amended at Washington, D. C. and voted by a large majority to accept the increases offered. Wm. B. Wilson left DuBois last night confident that the miners would eventually take the safe and sane course in this time of national stress. The balloting is proceeding as we go to press and those close to the situation say the vote will run about three to one.

The U. M. W. of A. delegates continued an hour held the attention of his hearers who know him so well as their old leader.

It was plain that the Main Line delegates who put up such hard opposition at the first conference were recalled to the seriousness of the situation and indicated their intention to accept the terms offered. Secretary of Labor of the U. S. was seated on the platform with the attempt made by Mr. Wilson, representing the Government, to force the acceptance of the scale but there would be considerable opposition but it did not show the strength mere fact of his presence there was sufficient intimation to the delegates that considerable discussion Mr. Wilson was called upon and for almost proposition.

German Censor Admits Failure Of Separate Peace With Russians

Amsterdam, May 24.—Russia's rejection of a separate peace is a most bitter disappointment, declared the German Socialist organ Vorwarts.

This is the first admission of failure of the German peace efforts which the German censor has permitted to pass. The rejection is blamed on Chancellor von Bethmann-Hollweg, the editorial declared. If he had said there would be no annexation or indemnities the results would have been different.

That the German censor expressed regret over the failure of the German peace efforts is of the highest significance. Every indication was that the German government's efforts to this end depended almost solely upon the dominating Socialists at Stockholm next month.

United Press dispatches today indicate that the conference at Stockholm will not be a general conference but only a series of meetings due to the fact that the Socialists efforts have failed to materialize.

England Announces Loss Of Four Hundred Men On Transylvania

London, May 24.—More than 400 were lost in the sinking of the British transport Transylvania the admiralty announced today. The Transylvania was sunk May 4.

The statement said that 29 officers were lost together with 373 men. The Transylvania's captain and crew of 10. The list brings the total to 413.

The Transylvania is a steel twin screw steamship of 14,300 tons. She was the property of the Anchor line. Built in 1914 and registered at Glasgow.

Brazil Now Regards Herself As At War With Germany Says Pecanha

By H. D. Robertson

Rio de Janeiro, May 24.—"Brazil regards herself as a belligerent in the world war although it has not made a formal declaration of war against Germany. A declaration of war is not necessary," explained Foreign Minister Pecanha today. "When we declared that we were virtually at war with a cabinet meeting. To add strength to his words he displayed a document existing between Rio de Janeiro and Washington showing complete cooperation between the two Republics of the north and south. These outlined moral and economic assistance and utilization of the Brazil navy."

Big Leagues Want To Play Ball On Sunday To Aid War Funds

Chicago, May 24.—Strong baseball in New York, Brooklyn, Philadelphia, Boston, Washington and Pittsburgh to aid war work was announced by the baseball association in a formal statement here today by J. K. Tilton, President of the National League and Dan D. Russell, President of the American League and Garry Herrington, chairman of the war fund drive.

Although Sunday games had been permitted in any of the eastern cities for some time, the decision of the commission that the baseball season should be suspended on Sunday to the fact that the league had decided to suspend the game on Sunday to aid war work.

Buy a bond.
License, license, who has a license?

Beats the band how close father gets to the "kiddies" on circus day.

A government bond is the acme of security and it is really the only form of investment that the poor man can afford to make.

The sheriff has appointed the Registrars for June 5th and it is pleasing to note that he has selected men equal to the occasion.

Altoona is about to have a Baby Show. Why cannot Clearfield follow the lead of other towns and hold this most interesting event?

Cool weather is not without its blessings. Ice, which we usually must buy in large quantities at this season of the year, has not yet become a necessity.

Mooley, that refractory old bovine, is purely a case for the Farm Agent. Will Mr. Kearney please make thorough diagnosis and report to the borough officials?

Did you ever stop to think that the Liberty Loan is backed by every piece of property, every manufacturing plant, every mine and vein of mineral in the nation, every man in the United States? No better security could be offered.

The War Department has seen fit to prohibit the sale of intoxicating liquors to all enlisted soldiers and sailors. In time the Government will extend the order to munition workers and every man contributing to the industrial preparedness of the United States.

It is useless to preach economy. Prices compel it. It is useless to worry over the future. Get to work. Produce something Uncle Sam needs and Uncle Sam will take care of you. More than that, he offers you the chance of investing a small part of your earnings in this big Liberty Loan where your money will be absolutely safe and drawing interest regardless of the number of years the war will last.

THE APPEALING CIRCUS.

There is something about a circus which appeals to the average imagination.

The American people never tire of their two perennial favorites—baseball and the great American circus.

It must be a very unpropitious bit of weather that prevents our country cousins coming to town on circus day.

As for city folks they are here already and they likewise help to swell the crowds on the public highways.

The "animals" are the chief attraction for the older and more conservative folks; there never is "any harm" in looking over the animals.

As for the children, they have no concealments; they want to see the circus and the pretenses of the older generation are not for them.

Do you remember your first circus? You, we mean, venerable citizen, who have grave doubts about the morality of the modern circus.

Remembering the lemonade and the gingerbread and the peanuts and the clown and the leading lady and your sweetheart, don't you think it better to smile upon the ardor of your grandchildren on circus day?

DO YOUR BIT
Buy a "Liberty Bond." Guaranteed by the U. S. Government.
If you desire to buy on the installment plan, we have an attractive proposition to offer you.

Dr. Arthur Warren Waite To Pay The Death Penalty This Evening

Ossining, N. Y., May 24.—The "little green door" opens for Dr. Arthur Warren Waite at Sing Sing prison tonight, and the electric chair's deadly current will volt out his life in payment for the murder of his wife's father and mother.
Dr. Waite has been prepared for his end for months, declaring his readiness to expiate his sin by death, in the belief that he could enter "a new world" at peace.
The murder of Waite's father-in-law, John E. Peck of Grand Rapids, Mich., and his mother-in-law, by poison and by the use of germs, came to light in the spring of last year. Mrs. Peck died January 20, 1916. Her husband's life ended March 12, 1916. Waite admitted he planned to kill his wife also.
Driven by a desperate need of money to maintain himself in luxurious surroundings, Waite went about his poisonings methodically and with as deadly coolness as a Borgias might have manifested.

Germans Make Another Air Raid On The Coast Of Great Britain

London, May 24.—Four or five German aeroplanes bombarded the east coast of England last night. Lord French of the Home Defense official commission announced today. Four aeroplanes participated. English aeroplanes pursued them but they got away in the darkness.
The aeroplanes are presumably Zeppelins and it is the first raid since November 28, and the 22nd since the start of the war. During that time 229 have been killed and 451 injured.

HOSPITAL COMMENCEMENT NEXT THURSDAY

The graduating exercises of the Clearfield Hospital Training school for nurses will be held in the auditorium of the Clearfield High school on Thursday evening, May 31st, at 8:15. There will be ten young women graduate from the training school this year and the hospital feels that it has a right to be proud of the class. An effort has been made to have an exceedingly attractive program, and it is hoped that the people will show their appreciation of the hospital by their attendance at the Commencement. M24-3f

"MAYOR" COX AT THE CIRCUS

"Mayor" Theo Cox was down from Glen Richey today to see the elephant. He informed his friends here that the street car strike in his bailiwick is a thing of the past as he had been instrumental in having the traction company meet the demands of their employees and all is well again.
The "Mayor" and several of the leaders of the strikers made the trip to town in the municipal automobile and the reform element is thinking of bringing impeachment proceedings following this joy ride. The "Mayor" says ishkabibble.

FARM AND GARDEN DAY IN PENNSYLVANIA

(By United Press)
Harrisburg, May 24.—Originally intended as Pennsylvania's third annual "Good Roads Day" became a state wide "Farm and Garden Day" proclamation of Governor Brumbaugh.
War had not been declared when this was designated as "Good Roads Day." With the declaration, state and local highway authorities began to rush road improvement. In changing the character, Governor Brumbaugh remarked that food had now become the greatest consideration.
The governor himself will do "his bit" in farm and garden.

COME TO MY FREE FEAST OF HEALTH Says Shawn, The Original GOLDINE Man
Not An Agent, Not a Demonstrator, But Shawn Himself, The Man Who Originated The Perfected Goldine, Invites All To His Wonderful Medicine Absolutely FREE

This is the Goldine Man who will give you a Free Test of Goldine. Don't fail to see him.

Remember that tomorrow I am again going to give every man and every woman a free test of my Goldine Treatment, the medicine which I originated and perfected myself for suffering humanity and which is accomplishing such remarkable results. I will be here for several days or my tour of the leading cities where my Goldine Agencies are located.

Its users say my medicine gives new life, strength, energy and ambition to people who have lost their vim. This is the medicine that R. M. Blair says made him walk again after being a helpless invalid for three years from locomotor ataxia, and to our knowledge is the only medicine having the record of such a case in the entire country.

This famous medicine, as they tell us makes up the lack of certain elements that the system requires for the development of nerve strength and physical endurance. This is the medicine under which Mrs. Mago recovered, who for twelve years suffered all torture of the condemned. Health in six weeks when given only three months to live. Now does the work for her family of six. Goldine took off 39 pounds of bloat and dropsy for this lady in six weeks. She says it was a miracle and her neighbors think the same. Maybe you are eating three square meals a day but can't gain in strength because you don't assimilate your food. Or maybe you are nervous, easily excited, can't sleep, get weak and tremble, have floating specks before your eyes, bloating and gas in your stomach, and a bad case of indigestion. Compare with that of Mrs. Anna McKelvey, who says she had had stomach trouble so bad that crackers and milk was her principal diet. She regained her health through Goldine and her case was of twelve years' standing.

SHAWN, THE MAN WHO ORIGINATED GOLDINE ARRIVED TODAY

This is the man whose success in one short year has made GOLDINE a Household Word almost from coast to coast.

His Goldine Advertising is a model of consistency, simplicity and straightforwardness. It makes no claims it cannot prove. No promises it does not fulfill. It knocks no competitor, seeks no unfair advantage. It has put Goldine in the very forefront of leading American enterprises.

Come and talk with Shawn himself. Not an agent. Not a Demonstrator but The Goldine Man Himself.

HE INVITES YOU TO HIS FREE FEAST OF HEALTH

At Stewart's Drug Store Clearfield

Thursday, Friday and Saturday, May 24th, 25th and 26th
I WILL MEET YOU AT STEWART'S DRUG STORE. My visit to your city is at the personal request of Mr. Stewart himself and the hundreds of satisfied users of GOLDINE in this community, who tell me they have never had a medicine which gave them the complete and continued satisfaction of GOLDINE.

CURWENSVILLE

SAYS BODY IS A
POISON FACTORY

Urge everyone to drink glass of hot water before breakfast

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomain-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headaches, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the lower pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

INTEREST IN WELSH-LEONARD BOUT

New York, May 24.—The contest between Freddie Welsh and Benny Leonard, which is slated to take place at the Manhattan Casino next Monday night, is the staple topic of discussion among the fight followers in this city. Among the majority, the opinion seems to prevail that in taking on Leonard the lightweight champion is assuming a bigger risk of losing his crown at than at any time in his career. Leonard has been disposing of his opponents by the knockout route with such regularity of late that a decisive victory over the champion would create no great amount of surprise.

The meeting will be the third in which Welsh and Leonard have engaged. Their first contest was fought at Madison Square Garden and was won by Leonard. In the second contest Welsh was given the newspaper verdict. Since that time Leonard has displayed much improved form and in his recent contests he has proved a veritable sensation. Today he is regarded by many as superior to the present world's title holder.

NEW YORK DOESN'T FEAR
PLAGUE THIS YEAR

(By United Press)
New York, May 24.—Infantile paralysis may break out this summer in cities where it was quietest last year according to a bulletin issued by the board of health today.

The department does not expect another epidemic here for some time. In the past they have come four or five years apart. Health Commissioner Emerson is experimenting to see whether the infection may originate in decayed teeth, as has been suggested by Dr. Louis Fischer, a specialist in children's diseases.

AGRICULTURE DEPARTMENT
WARNS AGAINST BUTTER
WASTE

(By United Press)
Washington, May 24.—If every one of the 20,000,000 American households should waste 1-4 ounce of butter daily the loss would be 114,062,500 pounds a year, the product of over half a million cows, according to department of agriculture figures today. If only one in every 100 homes waste that 1-4 ounce, the loss would total over 1,000,000 pounds annually. The department issued these statistics to show why no butter whatever should be wasted.

BRITISH EMPIRE DAY

Toronto, Ont., May 24.—British Empire Day, commemorating the birth of the late Queen Victoria, was enthusiastically celebrated throughout the Dominion today. Military parades, and special church services featured the observance in many of the larger cities. There were also many festivals, athletic competitions and other entertainments in honor of the St. George's Fund and other war relief.

BE PRETTY! TURN
GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for Wyeth's Sage and Sulphur Compound, you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two the hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

PENNSY ASSISTS EMPLOYEES TO
BECOME BOND HOLDERS

To assist the Government in making the Liberty Loan a success, the Pennsylvania Railroad has entered into an arrangement with the Mutual Beneficial association of its employees, which will enable every man and woman in the service to become subscribers, and on easy terms, if they so desire.

Employees desiring to avail themselves of easy payments may purchase the \$50 bonds for \$10 down and \$10 a month until paid for. Bonds of the higher denominations may be bought on the installment plan on equivalent terms.

Employees who so desire may have the monthly installments deducted from their wages, or, if they prefer, they can forward the remittances themselves, directly to the Association. No commission or brokerage of any kind will be charged for the purchase of any bonds either bought outright or on the installment plan.

B. R. & P. FACILITATES PURCHASE OF LIBERTY BONDS

"I hope that everyone in our organization will consider it a privilege and a patriotic duty to own one or more Liberty Bonds," is the opening sentence of a circular just issued to all officers and employees by William T. Noonan, President of the Buffalo, Rochester & Pittsburgh railroad.

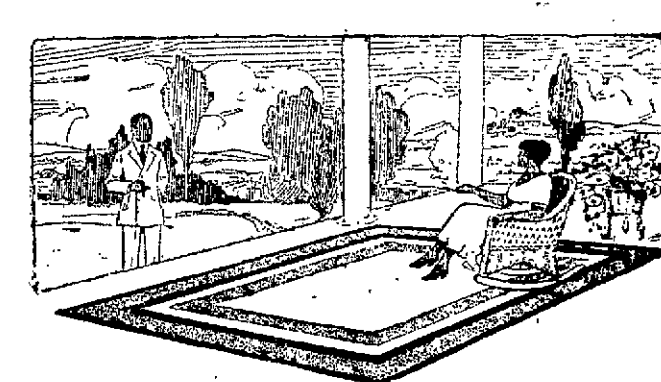

Upon request from an employee, the company will advance the whole or any part of the cost at the same rate of interest borne by the bonds to be repaid in semi-monthly installments of 10 per cent of the employee's wages with a minimum of \$5 per month. Attached to the circular is an application addressed to Mr. J. H. Dimkey, treasurer of the company, upon which the employee may indicate the number and denomination of the bonds desired.

SALTS FINE FOR
ACHING KIDNEYS

We eat too much meat which clogs kidneys, then the Back hurts

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache, and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to the flushed clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive, makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clear, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

CHICHESTER'S PILLS

For the cure of all the ailments of the bowels, such as constipation, indigestion, flatulence, etc. Each box contains 10 pills, and is sold by all druggists.

ON THE
SCREEN

On Friday the Globe theatre will have the pleasure of showing in pictures the latest release in the Famous Kimball Young Service-World Pictures entitled "Marrying a Million." This film is taken from the play "Marrying Money," written by William Pezet and Bertina Beckwith. It is directed by James Young. Miss Clara Kimball Young is the star, and her beautiful acting is a real treat for the eye. This is a comedy, with the usual stock situations of the genre, but it is a good one, and it is a picture not to be missed.

"CHICKEN CASEY" COMES TO
TOWN

Dorothy Dalton, Thomas H. Ince new and magnetic star, is the star of "Chicken Casey," which is shown on the Triangle program at the Tent Movies Friday.

The play has to do with the adventures of an actress who is brought back to life after being thought dead. It is a comedy, with the usual stock situations of the genre, but it is a good one, and it is a picture not to be missed.

The play is shown at the Tent Movies Friday, and it is a picture not to be missed.

SLIGHT FIRE IN FOURTH WARD

A fire at the home of Mrs. J. H. Moore, 100 South Second street, on Friday evening at eight o'clock, caused a slight fire. The fire was quickly extinguished, and no damage was done.

AGED CLERGYMAN TAKES A

BRIDE

Boston, Mass., May 24.—The Rev.

Dr. William Copley Winslow of this

city, one of the oldest Episcopal clergymen

in New England and an archaeologist and historical writer of international

reputation, was married today to Miss Elizabeth Bruce Foster,

a resident of Allston. Dr. Winslow is seventy-seven years of age and

his bride is fifty-three.

WAR CLOSING COLGATE COLLEGE

Hamilton, N. Y., May 24.—Because

three-fourths of the students have

dropped their books to join the colors,

or have otherwise enlisted for the national

service, Colgate College will close tomorrow,

nearly four weeks before the customary date for ending

the term. On account of the lack of students

the usual final examinations have been omitted and there will be

no formal exercises to mark the end of the term.

AS OUT OF DATE AS HORSE CARS

Says corn rings, plasters, razors and eating salves are taboo now.

Good things should be passed along.

It is now said that a few drops of a

drug called freezezone applied directly upon a tender, aching corn relieves

the soreness and soon the entire corn, root and all, can be lifted out without

pain.

For little cost a quarter of an ounce of freezezone can be obtained from any

drug store which is claimed to be sufficient to remove every hard or soft

corn or callus from one's feet.

This is a drug recently announced from Cincinnati. It is gummy but

dries the moment it is applied and simply shrivels up the corn without

inflaming or even irritating the healthy tissue or skin.

Cut this out and lay it on your wife's dresser.

Circus Slow Getting

In Motion This P. M.

Today is show day! You could tell

that early this morning when the

crowds of women and kiddies began to

gather about the main streets to wait for the "peacocks" following the

unloading of the wild animals, etc., from the show train which arrived

early this morning over the Pennsylvania road.

The air was cold and piercing but

that made no difference to the crowd that was out to see the parade.

The show is occupying the electric lots on

Turnpike avenue and promptly at 12 o'clock the head of the "most gorgeous

pageant ever seen by mortal eyes" was discovered wending its glittering

way across Market street bridge.

The parade was headed by a venerable

cowboy whose architecture and facial

embellishments were modeled after the late lamented Buffalo Bill.

Then followed the usual circus attractions, the dainty bareback rider, wild

animals, trained and tick horses, ponies, etc.

The show arrived on time this morning

but it was rather late this afternoon when the performance started.

There seemed to be something lacking in the bang up organization which a

circus usually has organized. The large crowd was disappointed in the

arrangements this afternoon.

UNITED STATES SENATORS WILL BE NAVAL SEAMEN

SENATOR ASHURST

SENATOR KENYON

Senators Henry F. Ashurst of Arizona

and William F. Kenyon of Iowa have

announced their intention of resigning

their seats to enlist as seamen in the naval reserve. Both have

passed the necessary physical examinations. When Congress reconvenes

they would be obliged to resign their seats, for under present laws it is

unconstitutional for Senators to enlist as privates in any branch of the

military service. Mr. Kenyon accordingly asked that an amendment be made

to suspend the existing regulation.

NEW MILLPORT

Perry Norris and son Lowry, departed

on Tuesday of this week to visit Mr. and Mrs. J. L. Sohl, of

Livingston, Montana. Mrs. Sohl is Perry's oldest sister and daughter,

Mr. and Mrs. Thomas S. Norris.

Miss Marie Norris, daughter of

Wade Norris has returned from her winter school at Brockwayville. She

says that she expects to take up housekeeping during her vacation.

Whether it is at home or somewhere else, we have not learned.

K. A. Sloppy, our lumberman and

real estate dealer, has just closed up the transfer of a valuable lot of

ground in New Millport.

Clifford Biddle much to the disappointment of the Normal school has

accepted a position in an office at Johnstown. His brother Marie has

been in that city for some years.

The "chug," "chug" of the engine

drilling for coal on one of our vacant lots tells that New Millport is

destined to become prominent on the map of Clearfield county.

Wayne Norris has exchanged his

Buick automobile for a fine team of young horses. He is now offering to

sell the span at a bargain.

Five more students were added to the

Normal school roll this week. Several more expect to enter next

week. It looks now as if other quarters will have to be provided, as the

school house is almost full.

The Literary circle of the Normal

school is organized with the following officers President, Guy Sloppy;

Vice President, Miss Sylvia Cole; Secretary, Miss Mural McDowell.

The next meeting will be Friday evening, June 1st.

Quite an interest is being manifested in

Nature Study at the Normal.

The "Fiji Tribe" of the Campfire

artists held a very successful festival and social last Saturday night. This

tribe promises some real good for the town. Whether they are going to

kill off, or eat up some of parasitic population will be determined very

soon.

Karl Witherow, Edwin Larson, Edna

Cathcart, Hilda Lindhal, and Nova McCulloch walk from Olanta to

New Millport each morning and evening; and Geraldine Williams, Genetta

Brady and Wilbur Gray walk to and from Carnwath. These young

people deserve credit for their pluck and determination to go to school.

NOTICE

The ladies of the W. C. T. U. will

meet Friday afternoon at 2:30 in the Trinity M. E. church parlors to make

comfort bags. All members are requested to come.

This Store Stands To The Forefront---Ready**Tomorrow We Begin An Unusual Sale In Our Ready-to-Wear Department****Our Entire Stock of New Spring Suits And Coats, At Prices Less Than Regular.**

That this announcement will create unusual interest is a foregone conclusion. It is a radical step to take—to reduce the price of ready-to-wear garments just when there is the greatest demand for spring clothes. The cold weather for the past several weeks has compelled you to wear your heavier clothes. It is because of this unseasonable weather that we have a larger stock in our ready-to-wear section than we had hoped to have at this time. This price reduction affects a great number of garments; so rest assured that it will pay you handsomely to visit the store tomorrow morning—early.

WOMEN'S SUIT SALE

\$22.50 and \$25.00 Suits, sale price \$15.00
 \$27.50 and \$30.00 Suits, sale price \$19.75
 \$35.00 and \$40.00 Suits, sale price \$27.50

WOMEN'S COAT SALE

\$12.50 and \$15.00 Coats, sale price \$8.75
 \$17.50 and \$18.50 Coats, sale price \$14.00
 \$22.50 Coats, sale price \$19.75

Millinery Radically Reduced

We are going to make quick disposal of the remaining spring hats. They include some of the most fashionable shapes of the season.

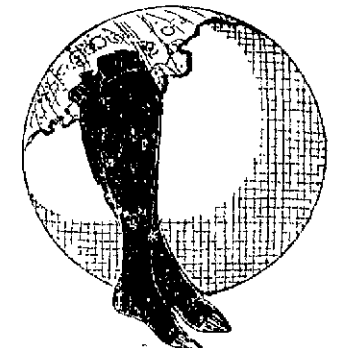

Ladies' \$5.00 and \$6.00 trimmed hats \$3.95
 Ladies' \$7.00 trimmed hats \$4.95
 Children's \$2.00 to \$3.50 trimmed hats now \$1.50 to \$2.25
 \$6.00 and \$7.00 untrimmed shapes at \$4.95

A Double Value---98c for Sport Hats Worth \$1.50

Reports from manufacturers say that sports designs are very popular this summer. So the more mention of this low price of such unusual hats will sell these quickly.

Hats For The Kiddies---Dear, Dainty Little Affairs At \$1.00 to \$3.50

The other day a mother brought her little girlie into our store, dressed in a pretty white dress. The child had a little white hat on which seemed to match the dress perfectly. The hat came from our children's millinery section and we wondered then, if it would not be a good idea to tell mothers what a fine showing of children's hats are found here. Will you bring your little one in and try some of these hats on her precious little head?

**For A Trim Looking Ankle, Silk Stockings at \$1.25 a pair**

If you would have your summer pumps fit comfortably and your ankle neat and trim looking, you must wear a pair of silk stockings such as these. The silk is of superior quality, fits the foot smooth and has the richest appearance. May be had in black, white, gray, bronze, navy, regimental and fancies.

They've Come At Last---Silk Gloves at 59c A Pair

We have been waiting, anxiously for their arrival—and now they're here. Fit well. Made of strong, moderately heavy silk with an especially large showing of black and whites with self and contrasting stitching. Two clasp length.

Washable Fillosette Gloves 75c pr.

Fillosette gloves such as these would be good value at any price, because they give splendid service and look just as fresh after each tubbing and are in just the right weight for summer wear. Have stitched backs and two clasps.

SHERIFF HAS APPOINTED REGISTRARS

Names Representative Men In Every Precinct of County To Carry Out Mandates of Law

Will Sit At Polling Places On June 5th To Register Every Man, Alien Or Citizen, Within The Age Limit

HEAVY PENALTY FOR REFUSAL TO ACT

Plans for the registration of Clearfield county citizens who come within the conscription age limits are being rapidly whittled into shape by Sheriff McCloskey, who has been busy almost every minute of the time since his return Wednesday from the conference with Governor Brumbaugh at Harrisburg.

Sheriff McCloskey and Deputy Chaplin worked far into last night preparing his list of registrars, which we present herewith.

The other necessary details such as notification and the placing of the blanks in the hands of these chosen registrars is going on with feverish rapidity in the Sheriff's office today, all other business being sidetracked for the time being, with the result that when the time comes Clearfield county will be in shape to register and no mistake about it.

The County Board of Registration is composed of the Sheriff, Prothonotary, President of the Board of County Commissioners and Dr. S. C. Stewart, the physician representing the county on the state board of health. This board organized today with Sheriff McCloskey chairman and Jesse E. Dale secretary.

Following the registration on June 5 a list of all young men registering will be posted at all voting precincts for the public to view. This is done so that in case there should be any one in the district who has not registered, persons knowing of such delinquents can notify the proper authorities. The penalty for not registering is very severe.

On June 6, the day following the registration, a summary of the registration giving the totals, must be telegraphed to the governor. The itemized registration will follow later. The registration blanks will be made out in duplicate. The original will be sent to the governor while the duplicate will be kept by the county or city authorities.

The registrars chosen to act on June 5th are in a measure "drafted" for this patriotic service. The Governor's proclamation to the Sheriff directed that "these registrars must be selected with great care. They must be men resident within the precinct and familiar with its population; men of the highest probity and capable of writing legibly. The national government asks that this service be rendered free as an expression of patriotism and of loyalty to the nation in this crisis of her history. Should you find it impossible to find men of such lofty purpose write me for directions as to the necessary subsequent steps to be taken."

Sheriff McCloskey has selected men whom he feels satisfied will measure up to the Governor's qualifications and will gladly assume this duty.

Two registrars will be required for each precinct and in addition to the names of these men we also give the total enrollment of voters in each precinct.

Under the terms of the conscription act we have seen it stated that one out of each twenty men would be drafted for army service. It is expected that the registration will disclose a total of 10,600,000 men in this country between the ages of 21 to 31, and of this number Pennsylvania alone would produce 800,000, and Clearfield county's total quota for military duty is 425.

In order that we might get an idea of just what that meant to each district, The Progress representative went over the military roll in the Commissioner's office as compiled by the assessors for 1917 in the districts of Clearfield, Curwensville and DuBois, and find the men of conscription age in these districts as follows:

Clearfield Borough	
First Ward	88
Second Ward	118
Third Ward	156
Fourth Ward	151

Curwensville Borough	
First Ward	44
Second Ward	125

City of DuBois	
First Ward	182
Second Ward	142
Fifth Ward	125

Taking these figures for a guide and comparing them with the total enrollment of the district will give you the approximate number of men within the conscription limits in any district.

Big P. O. S. of A. Rally At Y. M. C. A. Friday

Speakers of State Wide Reputation Will Address Convention

Every American born citizen of this community is cordially invited, nay urged, to attend the grand patriotic rally to be held in the Y. M. C. A. hall tomorrow, Friday evening, May 25th, under the auspices of the Clearfield County Camps of the P. O. S. of A.

This is the eminently proper time to inculcate the true spirit of loyalty in the hearts of our people and this old time patriotic organization has arranged for several of its state officers to come to Clearfield on this occasion and not only tell of the aims and objects of the Patriotic Sons of America, but give the reasons for those aims and the necessity for the daily and open practice of the cardinal principles thereof.

An entertaining program has been prepared for this occasion and as the call for the meeting states those attending same will have the opportunity to learn more of your country and its largest and greatest patriotic organization. Every loyal American whether affiliated with the organization or not should be present and hear the prominent speakers on this occasion.

Representatives from every Camp in the county will be present and a large audience is assured, but it is your duty to be present.

Following is the order of exercises:

Music	High School Band
Prayer	Rev. T. L. Borders
Music	West Side Sunday School Orchestra

Address, State Sec. Charles E. Helms

Address, State Vice President

Hon. Gabriel H. Meyer, of Lebanon

By Order Committee Camps of P. O. S. of A. of Clearfield County

Messrs Helms and Meyer are both speakers of state-wide reputation and are especially well equipped to carry the message of patriotism to our people and all who attend are assured a most profitable evening.

Handsome Flag Raised At B. R. & P. Depot

Prominent Citizens Assist in Very Impressive Patriotic Ceremony

The flag raising exercises at the B. R. & P. station this morning was one of the most successful affairs of the kind ever staged in this section, and despite the strong cold wind blowing, an audience numbering more than one thousand people gathered at the scene.

Promptly at 11 o'clock the assembly was called to order and Hon. J. Frank Snyder in a few highly appropriate remarks introduced Judge Singleton Bell who was scheduled to make the address for the occasion. Judge Bell was in exceptionally good form and delivered a ringing patriotic speech which was most heartily applauded by his hearers.

At the proper moment Agent Holden swung Old Glory to the breeze to the inspiring strains of "The Star Spangled Banner" which was sung by the High School chorus.

The High School band played a number of patriotic selections during the celebrations.

The huge flag 13 x 20 feet in size is one of the handiest in this section and the B. R. & P. company is deserving of great credit for their patriotic action at this time.

Three Poses of the Missourian Who Will Lead Americans Into the Trenches

Mrs. Thorn Seriously Injured By Automobile

Extent Of Injuries Not Yet Known But No Bones Were Broken

Mrs. Lizzie Thorn, one of Clearfield's well known residents was knocked down, run over and quite seriously injured by an automobile while attempting to cross Market street opposite the entrance to the second floor of the County National bank building about 10 o'clock this morning.

Mrs. Thorn wanted to cross Market street and on account of the traffic incident to show day decided to get away from the crowd at the regular crossing by getting across at the point mentioned above.

An automobile was standing along the curb in front of Neiman's furnishing store and as Mrs. Thorn walked from behind the car she stepped directly in front of the automobile driven by John Black of the East End who was driving slowly up Market street. The driver never saw Mrs. Thorn until she stepped out in the street within six feet of the machine. When she saw the car Mrs. Thorn stopped and turned facing it. In an instant she was struck and knocked to the street, the rear wheel of the car machine, a C-6 passing diagonally across her body.

Bystanders rushed to her aid and the injured woman was picked up and, refusing to go to the hospital, was taken to her home on Market street and medical aid hurriedly summoned.

An examination disclosed that while no bones were broken Mrs. Thorn was seriously hurt and suffering greatly from the shock incident to her experience. Her physician fears that she is injured internally and it will be some time before the real extent of her injuries are known.

Mr. Black who could not see Mrs. Thorn for the other car until she stepped right out in front of his machine made every effort to avoid the accident, but was powerless to do so.

Local Red Cross Head Leaves For Washington

Will Return Soon to Make Appointments And Start Campaign

The Central Committee of the American Red Cross has sent notice of its recognition of a Chapter to be known as the Clearfield Pennsylvania Chapter, American Red Cross, to have for its jurisdiction, "Clearfield county, except DuBois, and Winburne, Oseola, Houtzdale and Madera, Pennsylvania, and such other portions of said territory as have already been organized under a separate chapter."

The officers of this new chapter are:

J. Frank Snyder	Chairman
J. Fred Weaver	Vice Chairman
H. S. Whiteman, Jr.	Treasurer
Miss Ella C. Shaw	Secretary

Mr. Snyder, its chairman, left for Washington this afternoon to be present at the war council to be held tomorrow at the American Red Cross National headquarters in that city, and upon his return early next week will convene the chapter, announce the committee appointments, inaugurate a thorough canvass for members and take up the active work of the organization.

WOMEN'S CLUB MEETING

The Woman's Club will be guests of Mrs. Frank R. Reed on Thursday evening at 8 o'clock at her home on Old Town Road. This is the last evening meeting of the year which ends in June and it is planned to make it purely a social gathering to which all members are cordially invited and an invitation is also extended to any new members who wish to join for the coming year.

The Woman's Club which is doing what part there is a club, will take in the war effort and also to submit tentative lists of non-benefactors for the election of officers when takes place at the next meeting June 12th.

Mine Workers Accept Scale As Amended At Washington, D. C.

After a day of heated argument and debate the delegates in attendance at the DuBois Convention finally voted on the acceptance of the scale as offered at Philadelphia and amended at Washington, D. C. and voted by a large majority to accept the increases offered. Wm. B. Wilson left DuBois last night confident that the miners would eventually take the safe and sane course in this time of national stress. The balloting is proceeding as we go to press and those close to the situation say the vote will run about three to one.

The U. M. W. of A. delegates continued an hour held the attention of his hearers who know him so well as their old leader.

It was plain that the Main Line delegates who put up such hard opposition at the first conference were recalled to the seriousness of the situation and indicated their intention to accept the terms offered. Secretary of Labor of the U. S. was seated on the platform with the attempt made by Mr. Wilson, representing the Government, to force the acceptance of the scale but there would be considerable opposition but it did not show the strength mere fact of his presence there was sufficient intimation to the delegates that considerable discussion Mr. Wilson was called upon and for almost proposition.

German Censor Admits Failure Of Separate Peace With Russians

Amsterdam, May 24.—Russia's rejection of a separate peace is a most bitter disappointment, declared the German Socialist organ Vorwarts.

This is the first admission of failure of the German peace efforts which the German censor has permitted to pass. The rejection is blamed on Chancellor von Bethmann-Hollweg, the editorial declared. If he had said there would be no annexation or indemnities the results would have been different.

That the German censor expressed regret over the failure of the German peace efforts is of the highest significance. Every indication was that the German government's efforts to this end depended almost solely upon the dominating Socialists at Stockholm next month.

United Press dispatches today indicate that the conference at Stockholm will not be a general conference but only a series of meetings due to the fact that the Socialists efforts have failed to materialize.

England Announces Loss Of Four Hundred Men On Transylvania

London, May 24.—More than 400 were lost in the sinking of the British transport Transylvania the admiralty announced today. The Transylvania was sunk May 4.

The statement said that 29 officers were lost together with 373 men. The Transylvania's captain and crew of 10. The list brings the total to 413.

The Transylvania is a steel twin screw steamship of 14,300 tons. She was the property of the Anchor line. Built in 1914 and registered at Glasgow.

Brazil Now Regards Herself As At War With Germany Says Pecanha

Rio de Janeiro, May 24.—"Brazil regards herself as a belligerent in the world war although it has not made a formal declaration of war against Germany. A declaration of war is not necessary" explained Foreign Minister Pecanha today. "When we declared that we were virtually making a declaration of war" Pecanha explained as he was leaving a cabinet meeting. To add strength to his words he displayed a document existing between Rio de Janeiro and Washington showing complete cooperation between the two Republics of the north and south. These outlined moral and economic assistance and utilization of the Brazil navy.

Big Leagues Want To Play Ball On Sunday To Aid War Funds

Chicago, May 24.—Strong baseball in New York, Brooklyn, Philadelphia, Boston, Washington and Pittsburgh to aid war work was announced by the baseball association in a formal statement here today by J. K. Tilton, President of the National League and Dan D. Russell, President of the American League and Garry Herrington, chairman of the war fund drive.

Although Sunday games had been permitted in any of the eastern cities for some time, the decision of the commission that the baseball season should be suspended on Sunday to the fact that the people were not going to work was expected that minor leagues, of which there are many, would be expected to play on Sunday.

CURWENSVILLE

Clyde L. Way, of Pittsburgh, visited his aunt Mrs. V. H. Snyder on Ridge avenue.

A Strictly Cash Plan

I will continue to call for and deliver all cleaning as before and you will find our work up to its usual good standard.

T. J. Norris
CLOTHES CLEANER

SAYS BODY IS A POISON FACTORY

Urge everyone to drink glass of hot water before breakfast

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomain-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the lower pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

INTEREST IN WELSH-LEONARD BOUT

New York, May 24.—The contest between Freddie Welsh and Benny Leonard, which is slated to take place at the Manhattan Casino next Monday night, is the staple topic of discussion among the fight followers in this city. Among the majority the opinion seems to prevail that in taking on Leonard the lightweight champion is assuming a bigger risk of losing his crown at than at any time in his career. Leonard has been disposing of his opponents by the knockout route with such regularity of late that a decisive victory over the champion would create no great amount of surprise.

The meeting will be the third in which Welsh and Leonard have engaged. Their first contest was fought at Madison Square Garden and was won by Leonard. In the second contest Welsh was given the newspaper verdict. Since that time Leonard has displayed much improved form and in his recent contests he has proved a veritable sensation. Today he is regarded by many as superior to the present world's title holder.

NEW YORK DOESN'T FEAR PLAGUE THIS YEAR

(By United Press)
New York, May 24.—Infantile paralysis may break out this summer in cities where it was quietest last year according to a bulletin issued by the board of health today.

The department does not expect another epidemic here for some time. In the past they have come four or five years apart. Health Commissioner Emerson is experimenting to see whether the infection may originate in decayed teeth, as has been suggested by Dr. Louis Fischer, a specialist in children's diseases.

AGRICULTURE DEPARTMENT WARNS AGAINST BUTTER WASTE

(By United Press)
Washington, May 24.—If every one of the 20,000,000 American households should waste 1-4 ounce of butter daily the loss would be 114,062,500 pounds a year, the product of over half a million cows, according to department of agriculture figures today. If only one in every 100 homes waste that 1-4 ounce, the loss would total over 1,000,000 pounds annually. The department issued these statistics to show why no butter whatever should be wasted.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for Wyeth's Sage and Sulphur Compound, you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two the hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

PENNSY ASSISTS EMPLOYEES TO BECOME BOND HOLDERS

To assist the Government in making the Liberty Loan a success, the Pennsylvania Railroad has entered into an arrangement with the Mutual Beneficial association of its employees, which will enable every man and woman in the service to become subscribers, and on easy terms, if they so desire.

Employees desiring to avail themselves of easy payments may purchase the \$50 bonds for \$10 down and \$10 a month until paid for. Bonds of the higher denominations may be bought on the installment plan on equivalent terms.

Employees who so desire may have the monthly installments deducted from their wages, or, if they prefer, they can forward the remittances themselves, directly to the Association. No commission or brokerage of any kind will be charged for the purchase of any bonds either bought outright or on the installment plan.

B. R. & P. FACILITATES PURCHASE OF LIBERTY BONDS

"I hope that everyone in our organization will consider it a privilege and a patriotic duty to own one or more Liberty Bonds," is the opening sentence of a circular just issued to all officers and employees by William T. Noonan, President of the Buffalo, Rochester & Pittsburgh railroad.

Upon request from an employee, the company will advance the whole or any part of the cost at the same rate of interest borne by the bonds to be repaid in semi-monthly installments of 10 per cent of the employee's wages with a minimum of \$5 per month. Attached to the circular is an application addressed to Mr. J. M. Dimkey, treasurer of the company, upon which the employee may indicate the number and denomination of the bonds desired.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat which clogs kidneys, then the Back hurts

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache, and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to the flushed clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive, makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clear, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

John H. Moore's Sunday school class of the Trinity Methodist church will meet at the home of Miss Emma McDowell, South Second street on Friday evening at eight o'clock. A full attendance is desired. M-24-1f

CHICHESTER'S PILLS

For Constipation and Biliousness

Small, round, white pills, each containing a powerful laxative. They are the most reliable and most pleasant of all laxatives. They are sold by all druggists and chemists.

ON THE SCREEN

On Friday the Globe theatre will have the pleasure of showing in pictures the latest release in the Kimball Young Service-World Pictures entitled "Marrying a Millionaire." This film is taken from the play "Marrying Money" written by William Pezet and Bertina Beckwith. It is directed by James Young. Miss Clara Kimball Young is the star and her beautiful acting is a real treat for the eye. This is a comedy, with the usual high society, and with a plot constituting an important part of the proceedings. No one will be able to resist this picture and not enjoy it.

"CHICKEN CASEY" COMES TO TOWN

Dorothy Dalton, Thomas H. Ince new and magnetic star, is the star of "Chicken Casey," which is shown on the Triangle program at the Tent Movies Friday.

The play has to do with the adventures of an actress who is tricked on a young man who is a millionaire. She is tricked into marrying him and then she discovers that he is a millionaire. The play is a comedy and is a real treat for the eye.

The play is shown at the Tent Movies Friday. It is a comedy and is a real treat for the eye.

AGED CLERGYMAN TAKES A BRIDE

Dorset, Mass., May 24.—The Rev. Dr. William Copley Winslow of this city, one of the oldest Episcopal clergymen in New England and an archaeologist and historical writer of international reputation, was married today to Miss Elizabeth Bruce Foster, a resident of Allston. Dr. Winslow is seventy-seven years of age and his bride is fifty-three.

WAR CLOSING COLGATE COLLEGE

Hamilton, N. Y., May 24.—Because three-fourths of the students have dropped their books to join the colors, or have otherwise enlisted for the national service, Colgate College will close tomorrow, nearly four weeks before the customary date for ending the term. On account of the lack of students the usual final examinations have been omitted and there will be no formal exercises to mark the end of the term.

Mrs. Samuel Beightol of Pine Glen visited her brother John Confer at the hospital yesterday.

AS OUT OF DATE AS HORSE CARS

Says corn rings, plasters, razors and eating salves are taboo now.

Good things should be passed along. It is now said that a few drops of a drug called freezezone applied directly upon a tender, aching corn relieves the soreness and soon the entire corn, root and all, can be lifted out without pain.

For little cost a quarter of an ounce of freezezone can be obtained from any drug store which is claimed to be sufficient to remove every hard or soft corn or callus from one's feet.

This is a drug recently announced from Cincinnati. It is gummy but dries the moment it is applied and simply shrivels up the corn without inflaming or even irritating the healthy tissue or skin.

Cut this out and lay it on your wife's dresser.

Circus Slow Getting In Motion This P. M.

Today is show day! You could tell that early this morning when the crowds of women and kiddies began to gather about the main streets to wait for the "peacocks" following the unloading of the wild animals, etc., from the show train which arrived early this morning over the Pennsylvania road.

The air was cold and piercing but that made no difference to the crowd that was out to see the parade. The show is occupying the electric lots on Turnpike avenue and promptly at 12 o'clock the head of the "most gorgeous pageant ever seen by mortal eyes" was discovered wending its glittering way across Market street bridge.

The parade was headed by a venerable cowboy whose architecture and facial embellishments were modeled after the late lamented Buffalo Bill. Then followed the usual circus attractions, the dainty bareback rider, wild animals, trained and tick horses, ponies, etc.

The show arrived on time this morning but it was rather late this afternoon when the performance started. There seemed to be something lacking in the bang up organization which a circus usually has organized. The large crowd was disappointed in the arrangements this afternoon.

UNITED STATES SENATORS WILL BE NAVAL SEAMEN

Senators Henry F. Ashurst of Arizona and William F. Kenyon of Iowa have announced their intention of resigning their seats to enlist as seamen in the naval reserve. Both have passed the necessary physical examinations. When Congress reconvenes they would be obliged to resign their seats, for under present laws it is unconstitutional for Senators to enlist as privates in any branch of the military service. Mr. Kenyon accordingly asked that an amendment be made to suspend the existing regulation.

NEW MILLPORT

Perry Norris and son Lowry, departed on Tuesday of this week to visit Mr. and Mrs. J. L. Sohl, of Livingston, Montana. Mrs. Sohl is Perry's oldest sister and daughter, Mr. and Mrs. Thomas S. Norris.

Miss Marie Norris, daughter of Wade Norris has returned from her winter school at Brockwayville. She says that she expects to take up housekeeping during her vacation. Whether it is at home or somewhere else, we have not learned.

K. A. Sloppy, our lumberman and real estate dealer, has just closed up the transfer of a valuable lot of ground in New Millport.

Clifford Biddle much to the disappointment of the Normal school has accepted a position in an office at Johnstown. His brother Marie has been in that city for some years.

The "chug," "chug" of the engine drilling for coal on one of our vacant lots tells that New Millport is destined to become prominent on the map of Clearfield county.

Wayne Norris has exchanged his Buick automobile for a fine team of young horses. He is now offering to sell the span at a bargain.

Five more students were added to the Normal school roll this week. Several more expect to enter next week. It looks now as if other quarters will have to be provided, as the school house is almost full.

The Literary circle of the Normal school is organized with the following officers President, Guy Sloppy; Vice President, Miss Sylvia Cole; Secretary, Miss Mural McDowell. The next meeting will be Friday evening, June 1st.

Quite an interest is being manifested in Nature Study at the Normal.

The "Fiji Tribe" of the Campfire girls held a very successful festival and social last Saturday night. This tribe promises some real good for the town. Whether they are going to kill off, or eat up some of the parasitic population will be determined very soon.

Karl Witherow, Edwin Larson, Edna Cathcart, Hilda Lindhal, and Neva McCulloch walk from Olanta to New Millport each morning and evening; and Geraldine Williams, Genetta Brady and Wilbur Gray walk to and from Carnwath. These young people deserve credit for their pluck and determination to go to school.

NOTICE

The ladies of the W. C. T. U. will meet Friday afternoon at 2:30 in the Trinity M. E. church parlors to make comfort bags. All members are requested to come.

This Store Stands To The Forefront---Ready**Tomorrow We Begin An Unusual Sale In Our Ready-to-Wear Department****Our Entire Stock of New Spring Suits And Coats, At Prices Less Than Regular.**

That this announcement will create unusual interest is a foregone conclusion. It is a radical step to take—to reduce the price of ready-to-wear garments just when there is the greatest demand for spring clothes. The cold weather for the past several weeks has compelled you to wear your heavier clothes. It is because of this unseasonable weather that we have a larger stock in our ready-to-wear section than we had hoped to have at this time. This price reduction affects a great number of garments; so rest assured that it will pay you handsomely to visit the store tomorrow morning—early.

WOMEN'S SUIT SALE

\$22.50 and \$25.00 Suits, sale price \$15.00
\$27.50 and \$30.00 Suits, sale price \$19.75

We are going to make quick disposal of the remaining spring hats. They include some of the most fashionable shapes of the season.

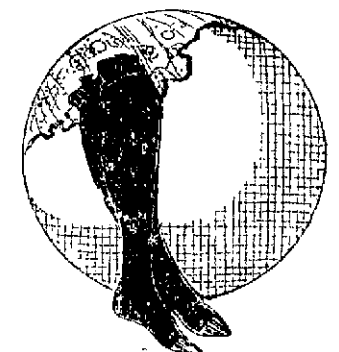

Ladies' \$5.00 and \$6.00 trimmed hats \$3.95
Ladies' \$7.00 trimmed hats \$4.95
Children's \$2.00 to \$3.50 trimmed hats now \$1.50 to \$2.25
\$6.00 and \$7.00 untrimmed shapes at \$4.95

A Double Value---98c for Sport Hats Worth \$1.50

Reports from manufacturers say that sports designs are very popular this summer. So the more mention of this low price of such unusual hats will sell these quickly.

Hats For The Kiddies---Dear, Dainty Little Affairs At \$1.00 to \$3.50

The other day a mother brought her little girlie into our store, dressed in a pretty white dress. The child had a little white hat on which seemed to match the dress perfectly. The hat came from our children's millinery section and we wondered then, if it would not be a good idea to tell mothers what a fine showing of children's hats are found here. Will you bring your little one in and try some of these hats on her precious little head?

**For A Trim Looking Ankle, Silk Stockings at \$1.25 a pair**

If you would have your summer pumps fit comfortably and your ankle neat and trim looking, you must wear a pair of silk stockings such as these. The silk is of superior quality, fits the foot smooth and has the richest appearance. May be had in black, white, gray, bronze, navy, regimental and fancies.

They've Come At Last---Silk Gloves at 59c A Pair

We have been waiting, anxiously for their arrival—and now they're here. Fit well. Made of strong, moderately heavy silk with an especially large showing of black and whites with self and contrasting stitching. Two clasp length.

Washable Fillosette Gloves 75c pr.

Fillosette gloves such as these would be good value at any price, because they give splendid service and look just as fresh after each tubbing and are in just the right weight for summer wear. Have stitched backs and two clasps.

**Friday Hour Sale From 10 to 11 A. M.****59c White Gaberdine, Extra Special 39c yard**
